The screenshot shows a dark-themed application window titled "Crypto Board". The main header is "ASSETS". Below it is a table with the following columns: "Cryptocurrency", "Updated", "Change", and "Price". The table lists five entries:

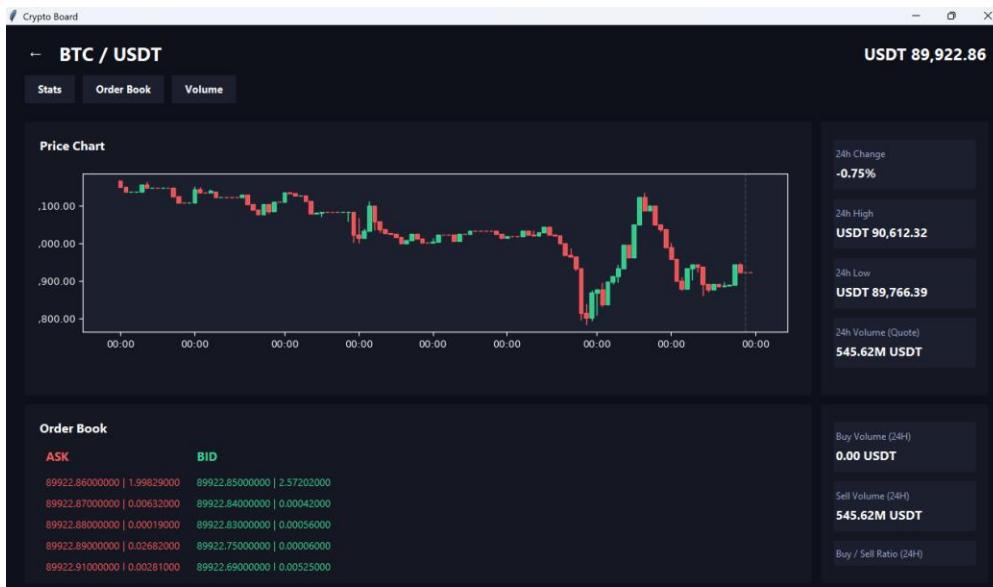

Cryptocurrency	Updated	Change	Price
BTCUSDT	just now	+0.00%	89,922.89
ETHUSDT	just now	0.00%	3,105.45
SOLUSDT	just now	0.00%	131.78
BNBUSDT	just now	0.00%	892.46
XRPUSDT	just now	0.00%	2.01

Each row contains a small circular icon representing the cryptocurrency, its name, the time it was last updated, its percentage change, its current price, and a "View" button.

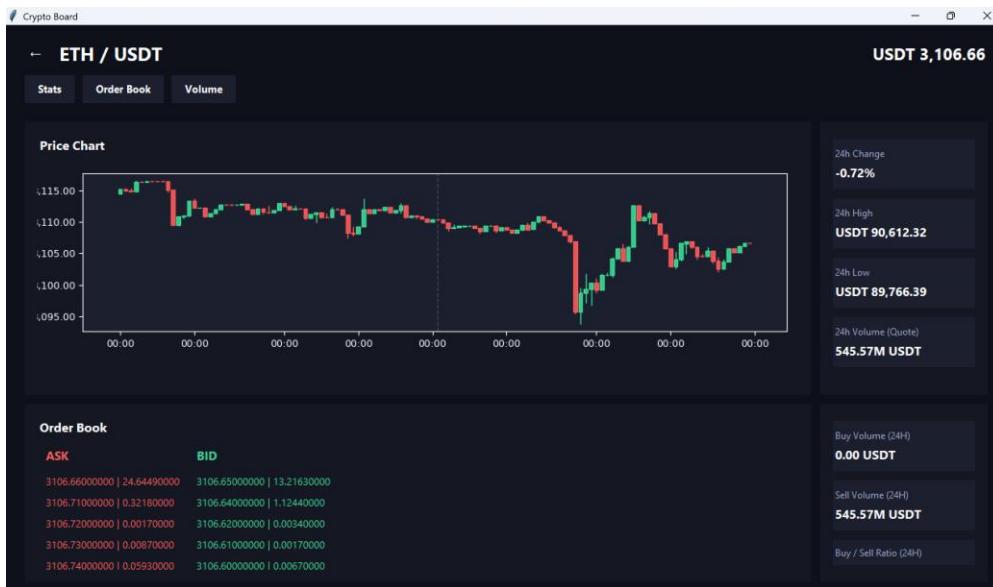

Each View button link to graph_page of particular coins
